

Customer Service Automations That Save

THURSDAY, AUGUST 4, 2022
11:00 AM, MST

Ashley Metesh-McCoy

Director, Accelerate Montana - Women's Entrepreneurship and Leadership Lab (W.E.L.L.)
Women's Business Center (WBC)

Business Owners must do #allthethings (all the time) to keep their businesses running. Given our labor economy's current staffing-shortages, particularly in service roles, business owners must be as efficient with their (and their employees') time as possible. There are multiple ways busy business owners can implement user-friendly software solutions to save them time and money. In this webinar, we'll discuss some simple ways business owners can use software for customer service.
